"I hate that dreadful, grating sound," said nervous Mr. Gutch; "That fellow Jones just stands around and cranks his dollar watch."

TOBACCO SPITTING

How a Market Street Sport Soiled a Lady's White Dress and Never Said Beans.

As The Ledger reporter walked up Second street yesterday evening he noticed a neatly dressed lady in white ahead of him. She entered a crowd of men, and one of them stepped to edge of the pavement to spit. The lady passed on the outer edge and around him just in time to get the spit and saliva on her shoulder. The man did not even offer an apology or try to clean up his filth.

It is time these corner loafers were taught at least to regard the rights of women, if not men.

QUARREL OVER DOG

Youth Probably Fatally Struck; Man And Wife Arrested.

Vanceburg, Ky., August 3.—John Neal, 18, was probably fatally stabbed last night by Sam Moore, 30, after a quarrel over a dog. Eye witnesses allege that Neal was unarmed and was running backwards while Moore lunged to him stabbing him in the face and breast. Moore was captured this morning while trying to escape to the mountains and his wife and twelve-year-old son also were arrested and placed in jail charged with being implicated in the trouble.

BOTTOM DROPS OUT

Of Chicago Live Stock Market Following Warning to Speculators.

Chicago, Ill.—The bottom dropped out of the market at the stock yards. After outside orders had been filled at the yards the market showed signs of collapse. This was due to the notice by banks to speculators to limit their operations to their ability to pay cash. This deprived the market of a stout prop, the hog market practically disappearing by 10 o'clock. Armour & Co. bought a few hogs at 8 cents a pound, a decline of 50 cents per 100 pounds from Saturday.

At noon the bulk of the supply of cattle and hogs was unsold, and the commission interests wired the country to stop loading until the situation clarified. Sheep cleared at steady prices, as only a handful arrived.

GARDEN PARTY FRIDAY NIGHT.

Because of the dance at Beechwood tonight the garden party for the benefit of the First District school is postponed 'till Friday night. It will take place then rain or moonshine as the house and porches will afford ample protection and accommodation. For those who do not care for coffee, iced tea will be served Friday at 8:00 o'clock p. m. at the residence of Mrs. George Barbour.

The Russian Emperor replied that he would have accepted the proposal had not Germany declared war.

"Germany showed no disposition to mediate and her preparations and those of Austria made it imperative that Russia mobilize, but I gave most categorical assurance to the German Emperor that the Russian troops would not move so long as negotiations continued."

The reply concludes: "I trust that your country will not fail to support Russia and France. God bless and protect you."
